

PTG Consulting AG

# > Exchange Rate for Poland and Czech Republic

## Benefits

**Dr. Christian Bätz**  
Head SAP Cloud Solutions  
PTG Consulting

- Have the officially published exchange rates for PLN and CZK
- Cover local PL and CZ requirements
- Direct integration between your SAP Business ByDesign to Polish and Czech national banks
- Use all source currencies (e.g. USD, EUR, GBD, CHF, ....) offered by the Polish and Czech national bank
- Schedule the automatized update easily and individually for your requirements (e.g. daily)
- No manual update of exchange rates anymore
- No errors because of manual updates
